

DIRECTIONS TO 9600 CONDOMINIUMS

From Philadelphia

From either the Walt Whitman or Ben Franklin Bridge, cross into New Jersey and continue on Route 42 southbound. Follow signs to merge onto Atlantic City Expressway.

 Proceed on Expressway until you reach the Pleasantville Toll Booth. Approximately ¼ mile after toll, take Exit 2 (last exit before Atlantic City). At the end of the ramp, merge on to Route 322, passing Atlantic City High School, the lighthouse and McDonald's on the right. Cross over the Albany Avenue bridge. Proceed to second intersection at Atlantic Avenue (this is the avenue closest to the beach and boardwalk) and turn right. Continue on Atlantic Avenue for approximately 5 miles. Ninety-Six Hundred sits between Madison & Monroe avenues in Margate and is the second ocean-front high rise condominium after Lucy the Elephant. Look for the blue awning and manicured gardens on the sidewalk.

From North Jersey/New York

Take the New Jersey Turnpike southbound to Exit 11 (Garden State Parkway). Follow Parkway South to Exit 38 (Atlantic City via Atlantic City Expressway). Continue with directions from above marked with the Expressway logo .
