January 12, 2012

To All 9600 Residents:

We are asking for everyone's cooperation regarding shopping carts and clothing racks that are left in hallways and fire tower stairwells.

It has always been a 9600 policy to return carts and racks to their original location in consideration of the next person needing a cart. As of late, we are finding more and more carts abandoned on the floors and actually in front of other peoples doors.

A major concern are the carts left in the fire towers that can create a dangerous condition in an emergency situation.

It is very difficult for the staff to continually police shopping carts and we would appreciate your assistance in returning carts once you are through using them.

Sincerely,

Sharon Ianoale, Manager
